- AR Astronomy

## From I-35

Take the Enid exit (about mile market 194) and travel west on Hwy 412 until you reach Enid.

As you enter town you will see a large green highway sign that says “NWOSU Enid Campus, NOC Enid Campus Exit.” Take that and you will exit off the highway and come to a stop sign.

Travel straight across the street and in one block you will see our campus’s golf course and will curve onto Maine Street.

Follow Maine street west and on your right you will see a large auditorium (Briggs Auditorium) with a large parking lot on its west side.

The Gantz Center is the building on the west side of that parking lot and room 100 is on the north end of the building.
