Dr. J. Fredericks Volkwein, professor and senior scientist for the Center for the Study of Higher Education at Pennsylvania State University, will be the keynote speaker this year. We are excited to have someone speak on policy analysis and organizational effectiveness, and their application within the IR field. Dr. Volkwein is well known for his studies and workshops on accreditation, assessing student learning outcomes, alumni studies, strategic planning and enrollment management, state regulation, and of course institutional research. Please invite people from your institution that will benefit from the mentioned topics.
